A key technology for Christians to avoid the techno-tyranny that is coming and the mark of the beast is to use truly decentralized public cryptocurrencies which were designed precisely to counteract globalization. The Liberty Church Crypto

Course explains in detail which are and how to use these important systems. For all those who have already attended the course it is recommended to take it again to deepen your knowledge. For all those who have not taken the course it is recommended that you attend as these things will likely become fundamental knowledge in the near future. The course will be in four 2 hour parts that will be taught every Monday at Liberty Church Edmond from 6 PM to 8 PM between August 4th thru August 25th by Donald McIntyre. If you have any questions, please see Donald. There are signup sheets in the main foyers.

HOW TO BECOME A CHRISTIAN

GOOD NEWS! God's Word is the authority for all of life.

And the Bible clearly outlines the way for forgiveness of sin and the way to become a Christian:

A – Admit you are a sinner...

"For all have sinned, and come short of the glory of God." (Romans 3:23)

B— Believe in Jesus Christ...

"I am the way, the truth, and the life: no man cometh unto the Father, but by me." (John 14:6)

C – Confess Jesus Christ as Lord of your life...

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." (Romans 10:9)
