Globalism, the explosion of depravity, and the central coordination of all this through technology and international organizations is setting up the world for the end times. Even if the United States under President Trump may present a resistance to these trends, the path to globalism is inexorable because not only it is prophesied in the Bible, but all

nations must embrace these trends to even stay competitive. A fundamental technology for Christians to avoid this techno-tyranny that is coming is to use public cryptocurrencies which were designed precisely to counteract centralization. The Liberty Church Crypto Course is meant to be a detailed explanation of each part of the crypto industry, but to accomplish this task it is necessary to learn the background of blockchain technology, how everything works, and what is in store for the future of the sector.

The course will be in four 2 hour parts that will be taught every Monday at Liberty Church Edmond from 6 PM to 8 PM between April 7th and April 28th by Donald McIntyre. If you have any questions, please see Donald. There are signup sheets in the main foyers.

Have a Bible question you would like answered? How about discussions about living a day to day Godly life? Join Pastor Steve Kern for a lively podcast with frank conversations about current issues from a Biblical point of view. <https://open.spotify.com/show/7btTEuGf50vy84qR51Prwd>

### HOW TO BECOME A CHRISTIAN

**GOOD NEWS!** God's Word is the authority for all of life. And the Bible clearly outlines the way for forgiveness of sin and the way to become a Christian:

#### **A – Admit you are a sinner...**

“For all have sinned, and come short of the glory of God.” (Romans 3:23)

#### **B— Believe in Jesus Christ...**

“I am the way, the truth, and the life: no man cometh unto the Father, but by me.” (John 14:6)
